

## *Torque Racing Services Dakar 2015 Assistance Package Price £12,000*

Torque Racing Services ("TRS") has been involved in Rallies Worldwide for the past 10 years. They have assisted at many major rallies, including the Dakar since 2004. During this time they have gained a wealth of knowledge and experience, essential to offering a quality support service.

TRS are offering a Full support for the Dakar Rally 2015 that is second to none.

This includes

- 1 experienced mechanic per 2 riders maximum.
- Guidance through the Signing on and Scrutineering process, at Le Harve, France
- Supply of additional soft drinks and snacks
- Torque Racing Jersey and T-Shirt

### **TRS Support Equipment**

TRS and Rally Raid Products are working on a spares package for riders, in addition to carrying some commonly used spare parts. A list of which will be released one month before the start of the event.

Tyres, mousses and other service items can be ordered through us at highly discounted rates. You can also have Torque Racing Services book your flights and accommodation.

TRS specialise in Rally Bike preparation. Please call to discuss your requirements with Martin. Prior to the event we offer our customers a free pre-rally check. Booking in with the workshop will be required and any work recommendations will be advised along with a quote if requested.
